

We guarantee results.

**PROBLEM**

”She is an excellent listener who truly cares about her clients.”

## What you **need** from us:

1

### Understand Your Problem

Start with a great listener, who asks the right questions, and knows your industry.

2

### Identify the Best Solution

Add a savvy professional who brings leadership expertise, technology solutions, and strategic management skills to create the right solution and action plan.

3

### Partner & Deliver Results

A trusted partner deepens your bench, delivering results now, and into the future.

## Dawn Garcia, MBA, MS

Dawn is a natural problem solver, and loves new challenges. She carefully listens to your situation, and guides your best solution, bringing vast experience, resources and solutions. She partners with you on your chosen path, or offers limited options if needed.

When you need a trusted business partner to deliver results, she's the one you want to work with.
